

Statement of Position
Hampton Roads Connection to S.E. High Speed Rail Corridor
Adopted 1/13/2010

Virginia Beach Vision, Inc., by action of its Board of Directors on January, 13, 2010, *endorses the extension of high-speed rail service from Washington, DC to Richmond/Petersburg and the Hampton Roads region, designating a high-speed rail corridor along the Norfolk Southern/Route 460 corridor designated ultimately at speeds of more than 110 mph, and enhancement of the intercity passenger rail service along the CSX/I-64 corridor.*
